### LETTER OF RECOMMENDATION

It is with genuine enthusiasm that I am providing a reference to **Ms. WINNIE SAH** (REG NO. 11812226). I have known her as a student with great prehensile abilities. My interaction with her for the past three years enables me to assess both academically and on personal level. She is one among the few students who can channelize their effort towards their goals. Her performance in courses of various fields reflects her capabilities.

Her communication skills are commendable. She is a keen participant in classroom discussions and full of enthusiasm. She is extremely adept in analytical reasoning and skillful application of all that she has learnt into practice. From all that I could observe from the interactions with me and the seminars she has given. I can pronounce that she can be very fluent in explaining his ideas.

She has calm and patient personality and possesses the ability to handle stressful situations. She has a strong character and admirable life ethics. With her talent, hard work and strong desires with determination, I can say confidently that she will prove herself in all his endeavors if provided the opportunities.

I am confident she will perform well and I recommend her unreservedly admission for Higher education.
